OPENS ALL YOUR LOCKS

BOLT®

BREAKTHROUGH ONE-KEY LOCK TECHNOLOGY

The BOLT series of locks lets you set all of your truck, trailer and accessory locks to work with one key - your vehicle key!

Simply insert your vehicle key into the BOLT Lock, turn it until it stops and the lock permanently learns your key!

All BOLT Locks Feature:

- 6 Plate Tumblers with Sidebar to Prevent Picking and Bumping
- Automotive Grade Materials
- Stainless Steel Durability and Corrosion Resistance
- Limited Lifetime Warranty
- Made in North America
